

## CONTENTS and STRATEGIES

Page	Description	Tasks and Activities	LUK Tasks and Activities
1	<b>What would you like?</b> E.g. I like a pie, please.	Join the sentences with the correct pictures, using nouns as key words.	Find the correct pictures and their code numbers to place the tiles on the matching numbers in the LUK box . Or write the answers and then place the tiles on the correct numbers in the LUK box to check if the answers are correct.
2	<b>What do they have?</b> E.g. Jill has a big bag.		
3	<b>Where are they?</b> E.g. The bird is <u>on</u> the...	Find the missing words to finish the sentences, using nouns as key words (e.g. bird → nest) or just join the sentences with the missing words.	
4	<b>Where are they?</b> E.g. The pup is <u>in</u> the...		
5	<b>Where are they?</b> E.g. The duck is <u>in</u> the... The ant is <u>on</u> the...		
6	<b>What are they doing?</b> E.g. Matt is <u>batting</u> .	Find the correct verb to finish the sentences. Write the words or join the names and pictures with the verbs.	
7	<b>How many pets do they have?</b> E.g. Tom has three cats. Pat has two frogs.	Join the sentences with the correct pictures. The numbers (adjectives) and the names are the key words to join with the correct number of animals.	Find the correct group of animals to match the sentences. Look for the code number and place the tiles on that number in the LUK box.
8	<b>How many?</b> E.g. Sally has .... mice.	Join the sentences with the matching pictures. Write the missing words (numbers) in the blank spaces to finish the sentences.	
9	<b>What is the dog doing?</b> E.g. The dog is chasing birds.	Join the sentences with the pictures matching the sentences, using verbs as key words.	Find the correct picture and write the code numbers into the boxes.
10	<b>What is it?</b> E.g. We sit on it. We cut with it.	Join the sentences with the matching pictures, using verbs as key words. Write the correct noun (object) answers for each sentence.	Match the sentences (verbs) with the correct pictures. Place the tiles on the proper code numbers in the LUK box.
11	<b>What do they like?</b> E.g. The bee likes...	Find the correct pictures and choose the right word from grid below to finish the sentences.	Choose the correct pictures and their code numbers to put the tiles in the LUK box.
12	<b>Who am I?</b> E.g. I have fins and I swim.	Find the correct pictures and choose the right words from the grid to answer the questions.	Find the correct answers (pictures) and their code numbers to place the tile in the box.
13	<b>What are they?</b> E.g. I dig in the .... I swim in a ....	Find the right words and copy them to finish the sentences.	Find the correct words and their code numbers and place the tiles on the matching numbers in the LUK box or write the answers and then place the tiles in the LUK box to check the answers.
14	<b>What baby am I?</b> E.g. I am a baby frog.	Find and copy the words to make each sentence true.	
15	<b>Can you tell?</b> E.g. Which one is a shape? Which one is a snack?	Find the right words and copy them to answer the questions.	

Page	Description	Tasks and Activities	LUK Tasks and Activities
16	<b>What did they do?</b> E.g. David ate his... Jim rested on his...	Choose the correct words from the grid to finish the sentences. Write the words on the dotted lines.	Find the correct words and their code numbers and place the tiles on the matching numbers in the LUK box or write the answers and then place the tiles in the LUK box to check the answers.
17	<b>Did you know?</b> E.g. A dog ... sticks.		
18	<b>What did they do?</b> E.g. The plane ... safely.
